Flashman and the Angel of the Lord

If only Flashman had got on with his dinner and ignored the handkerchief dropped by a flirtatious hussy in a Calcutta hotel! Well, American history would have been different, a disastrous civil war might have been avoided, and Flashman himself would have been spared one of the most hair-raising adventures of his misspent life. If only!

The Flashman Papers (6) - Flashman and the Redskins

Harry Flashman: the unrepentant bully of Tom Brown's schooldays, now with a Victoria Cross, has three main talents - horsemanship, facility with foreign languages and fornication. A reluctant military hero, Flashman plays a key part in most of the defining military campaigns of the 19th century, despite trying his utmost to escape them all. What was Harry Flashman doing on the slopes of Little Bighorn, caught between the gallant remnant of Custer's 7th Cavalry and the attack of Sitting Bull's braves? He was trying to get out of the line of fire and escape yet again with his life (if not his honour) intact. Here is the legendary and authentic West of Mangas Colorado's Apaches, of Kit Carson, Custer and Spotted Tail, of Crazy Horse and the Deadwood stage, gunfighters and gamblers, scoundrels and Indian belles, enthusiastic widows and mysterious adventuresses. The West as it really was: terrifying!

Flashman and the Redskins (The Flashman Papers, Book 6)

"Horse riding, sword fighting, fistfights, escapes, chases... If anyone is looking for a successor to James Bond, Flashy is the one."—The New York Times In Volume II of the Flashman Papers, Flashman tangles with femme fatale Lola Montez and the dastardly Otto Von Bismarck in a battle of wits which will decide the destiny of a continent. In this volume of The Flashman Papers, Flashman, the arch-cad and toady, matches his wits, his talents for deceit and malice, and above all his speed in evasion against the most brilliant European statesman and against the most beautiful and unscrupulous adventuress of the era. From London gaming-halls and English hunting-fields to European dungeons and throne-rooms, he is involved in a desperate succession of escapes, disguises, amours and (when he cannot avoid them) hand-to-hand combats. All the while, the destiny of a continent rests on his broad and failing shoulders.

Flashy deals with a ravishing maharini and her equally sex-hungry maid, joins forces with an American adventurer with royal ambitions, and attempts to win the brightest jewel in England's imperial crown at the cost of something he will never miss—namely, his honor.

Fleeing a chain of vengeful pursuers that includes Mexican bandits, the French Foreign Legion, and the relatives of an infatuated Austrian beauty, Flashy is desperate for somewhere to take cover. So desperate, in fact, that he embarks on a perilous secret intelligence-gathering mission to help free a group of Britons being held captive by a tyrannical Abyssinian king. Along the way, of course, are nightmare castles, brigands, massacres, rebellions, orgies, and the loveliest and most lethal women in Africa, all of which will test the limits of the great bounder's talents for knavery, amorous intrigue, and survival. Flashman and the Dragon (The Flashman Papers, Book 10)

Celebrated Victorian bounder, cad, and lecher, Sir Harry Flashman, VC, returns to play his (reluctant) part in the charge of the Light Brigade in the fourth volume of the critically acclaimed Flashman Papers.

Flashman at the Charge

What is Flashy doing? -in the drawing room of a great English mansion with the red-hot-blooded mistress of a violently jealous blue-blood? -in between a pair of Chinese beauties who are willing to do anything and everything to close the gap between East and West? -in the hold of a warship under fire, with a Malay maiden as explosive as the shells bursting above? -in the forced service of an African queen who lets a lover stay alive only as long as his power to please holds up? This unblushing cad, this lustful libertine, this infamous and irresistible antihero is clearing doing better than ever—in a round-the-world adventure that would make Queen Victoria pale with shock and swingers of today green with envy.

Flashman's Lady

Three of George MacDonald Fraser's incomparable and hilarious novels featuring the lovable rogue, soldier, cheat, and coward: Harry Paget Flashman. Praised by everyone from John Updike to Jane Smiley, Fraser was an acknowledged master of comedy and satire, an unrivaled storyteller, whose craft was matched only by his impeccable historical research. And his greatest creation was, of course, Flashman. The novels collected here find our hero in the midst of his usual swashbuckling adventures of derring-do: fleeing adversaries in the First Anglo-Afghan War; meeting and nearly deceiving a young Abraham Lincoln in America; alternately impersonating a native Indian cavalry recruit and wooing women in India; and managing, whatever the circumstances, to keep his hero's reputation unsullied. A must-have treat for the legions of dedicated Flashman fans, and a delightful introduction for those lucky enough to be encountering him for the first time.

Flashman & the Angel of the Lord

It's 1868 and Sir Harry Flashman, V.C., arch-cad, amorist, cold-hearted soldier, and reluctant hero, is back in the 12th book in Fraser's ever-beloved Flashman Papers series.

Flashman (The Flashman Papers, Book 1)

For George MacDonald Fraser the bully Flashman was easily the most interesting character in Tom Brown's Schooldays, and imaginative speculation as to what might have happened to him after his expulsion from Rugby School for drunkenness ended in 12 volumes of memoirs in which Sir Harry Paget Flashman - self-confessed scoundrel, liar, cheat, thief, coward -'and, oh yes, a toady' - romps his way through decades of nineteenth-century history in a swashbuckling and often hilarious series of military and amorous adventures. In Flashman the youthful hero, armed with a commission in the 11th Dragoons, is shipped to India, woos and wins the beautiful Elspeth, and reluctantly takes part in the first Anglo-Afghan War, honing a remarkable talent for self-preservation. Flash for Freedom! finds him crewing on an African slave ship, hiding in a New Orleans warehouse and fortuitously running into rising young American politician Abraham Lincoln...

Flashman on the March
