Impressive Answers to Job Interview Questions

All first timers, entry level candidates and those seeking career changes stand to benefit immensely in landing the most optimum job. If you're the kind of person who learns by example, this book 'Impressive Answers to Job Interview Questions' is for you. This small interview guide shows practical ways to prepare for interview. It is packed with all you need to positively impress the interviewers so as to stand out in their eyes and come out with the green signal for the job. The book contains questions that are most frequently asked during an interview along with answers to those questions. It also gives you tips on what you should and shouldn't say during interviews. There are ideas for researching jobs as well as the company and means for preparing your interview answers. While helping you to prepare for an interview, it also provides information regarding what the selection board expects from you. Explained with tips and strategies of interview preparations, the book also addresses the fear and nervousness and how to overcome them, how to turn them into a positive note. Highlights: 1. It gives commonly asked questions and explains strategies to answer them in influential, positive and attractive manner. 2. It helps to analyze the questions put to you, what the interviewer is trying to find out and the most appropriate way to frame answers so as to make the interviewer want to hire you. 3. Not just first timers, it offers guidance to career changers on how to access your strengths acquired from previous jobs and to positively sell your potential to the interviewer. Impressive Answers to Job Interview Questions – for Fresh & Experienced Candidates Who needs this book? It is for all entry-level job seekers and experienced candidates. Interviewers ask you a variety of questions... but what they actually want to know is, why should they hire you? If you have ever felt that you: • Do not know how to explain why you're the person they need to hire... • Can't positively "sell yourself" for the job... • Fumble over your answers because you don't know what they really want to hear.... • Want to be more confident during the interview... This is the book will show you how to polish your answers to get the job: 1. Shows you what they intend to discover in your answer 2. Gives you strategies for answering unexpected questions 3. Gives you "How To" tips for answering tough questions: A. Tell me about yourself B. What's your greatest weakness? C. What salary are you looking for? D. Why do you want to join this company? E. Why should we hire you? F. Why do you have a gap in your employment history? G. Describe a time when your work was criticized and how you handled it H. What's your greatest strength?
