## **Recovering Biblical Manhood and Womanhood (Revised Edition)**

A Guide to Navigate Evangelical Feminism In a society where gender roles are a hot-button topic, the church is not immune to the controversy. In fact, the church has wrestled with varying degrees of evangelical feminism for decades. As evangelical feminism has crept into the church, time-trusted resources like *Recovering Biblical Manhood and Womanhood* help remind Christians of what the Bible has to say. In this edition of the award-winning best seller, more than 20 influential men and women such as John Piper, Wayne Grudem, D. A. Carson, and Elisabeth Elliot offer thought-provoking essays responding to the challenge egalitarianism poses to life in the church and in the home. Covering topics like role distinctions in the church, how biblical manhood and womanhood should work out in practice, and women in the history of the church, this helpful resource will help readers learn to orient their beliefs with God's unchanging word in an ever-changing culture.

## **Sermon on the Mount**

Manifesto: \"a written statement declaring publicly the intentions, motives, or views of its issuer.\" The Sermon on the Mount (Matthew 5-7) is Jesus' most definitive statement of the principles of Kingdom living. In this study we'll seek to understand Jesus' radical teaching within its context of first century Judaism - then translate the principles into our own lives today. If we can understand what Jesus meant and absorb that into our spirit, we can grow to become the kind of disciples that make Him proud. The Sermon on the Mount provides an ethical and philosophical framework that can help us order our lives as Christ followers. But organized religion has domesticated Jesus and watered down his message, providing a low-dose familiarity that can make us immune to Jesus' full-strength teaching. Here we allow Jesus' uncompromising message to both shame us and enflame us to become part of a Christ-committed counter-culture to challenge the present world order. This examination of Jesus' manifesto in the Sermon on the Mount, with its provocative discussion questions, provides an excellent 13-lesson study for personal enrichment, for use by small groups and classes, and for sermon preparation by teachers and preachers.

## **Sojourners and Strangers**

What is a church? This can be a difficult question to answer and Christians have offered a variety of perspectives. Gregg Allison thus explores and synthesizes all that Scripture affirms about the new covenant people of God, capturing a full picture of the biblical church. He covers the topics of the church's identity and characteristics; its growth through purity, unity, and discipline; its offices and leadership structures; its ordinances of baptism and the Lord's Supper; and its ministries. Here is a rich approach to ecclesiology consisting of sustained doctrinal reflection and wise, practical application. Part of the Foundations of Evangelical Theology series.

## **Calvin for the Third Millennium**

\"This work is a series of sermons produced by Emeritus Professor Hans Mol, and based on Biblical texts, the Commentaries of John Calvin on these texts, and on Calvin's Institutes of the Christian Religion. Mol is Australia's pre-eminent scholar in the sociology of religion, particularly in Australia. His 1971 volume,

Religion in Australia, was the first attempt at statistical analysis of religion in Australia, which was also internationally significant. Parallel to Mol's interest in the sociology of religion has been his interest in Calvin. Indeed the theological basis of his life has been as a Calvinist. Here in this volume he brings both of these interests together. His sermons, preached over the years in Canberra, seek to apply the teachings of Calvin to a world-view in which the scientific study of religion, and indeed the wider study of sociology, are of central significance.\\"--Publisher's description

## **Moses the Reluctant Leader**

Moses pioneered a Spirit-led leadership paradigm that Christian leaders do well to emulate today. Moses didn't want to be a leader. He had been raised as a prince of Egypt, but now at 80, he was content to be a simple shepherd, watching sheep on the slopes of Sinai. Then, God spoke from the burning bush and Moses' world changed. How do you lead a multitude of people through impossible situations, badgered by a storm of criticism from within the camp, and threatened by deadly peril from without? Moses the reluctant leader has much to teach both disciples and leaders today. This Bible study leads you through Moses' life covering several chapters in each lesson so you can see the big picture. It slows down, however, to examine key passages in Exodus and Numbers that give insight into God's instruction to Moses. One lesson surveys the tabernacle, the priesthood, and the sacrifices that God revealed through Moses. This book explores Moses' life in 9 lessons with discussion questions, and can be used for personal enrichment, by small groups and classes, and by teachers and preachers for sermon preparation.

## **Forgotten God**

In the name of the Father, the Son, and ... the Holy Spirit. We pray in the name of all three, but how often do we live with an awareness of only the first two? As Jesus ascended into heaven, He promised to send the Holy Spirit—the Helper—so that we could be true and living witnesses for Christ. Unfortunately, today's church has admired the gift but neglected to open it. Breakthrough author Francis Chan rips away paper and bows to get at the true source of the church's power—the Holy Spirit. Chan contends that we've ignored the Spirit for far too long, and we are reaping the disastrous results. Thorough scriptural support and compelling narrative form Chan's invitation to stop and remember the One we've forgotten, the Spirit of the living God.

## **Women Living Well**

Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our parenting, and our homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world, starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in the Bible, her practical approach includes tons of tips that are perfect for busy moms, including: Simple Solutions for Studying God's Word How to Handle Marriage, Parenting, and Homemaking in a Digital Age 10 Steps to Completing Your Husband Dealing With Disappointed Expectations in Motherhood Creating Routines that Bring Rest Pursuing the Discipline and Diligence of the Proverbs 31 Woman There is nothing more important than fostering your faith, building your marriage, training your children, and creating a haven for your family. Women Living Well is a clear and personal guide to making the most of these precious responsibilities.

## **Revelation Rightly Revealed**

Very accurate, extremely informative, and certainly understandable. As we all know, the revelation of Jesus

Christ as recorded by John the Apostle is one of the most intriguing and fascinating books in the bible. However, Revelation Rightly Revealed (R3) conducts a precise yet comprehensive study of John's apocalypse. R3 analyzes and expounds on fourteen major themes found in the book of Revelation. As a result, you are guaranteed to receive dynamic and tremendous insight into the following concepts: The Four Horsemen, The Great Tribulation, Mystery Babylon, The Resurrections, The 7 Seals, 7 Trumpets, and 7 Vials, Eternity, and much more.

## **The Angelic Conflict**

The Angelic Conflict rages around us. This is not a world war. This is a war beyond the world—an invisible warfare between the forces of Satan and the forces of God. Ultimately God will win. Long before the advent of human history, Satan arrogantly rebelled against his Creator. He wanted to make himself “like the Most High” and recruited one-third of the angels to follow him. God justly condemned Satan and his fallen angels to spend eternity in the lake of fire. Satan appealed the sentence, claiming unfairness—questioning how a loving God could cast His creatures into hell. Planet Earth is now the battleground where Satan seeks to outmaneuver God, prove the judgment unfair, and foil the execution of his sentence. Satan will not suffer defeat without an intense struggle. God created man to resolve this angelic conflict. Human volition is the focal point of the firestorm. Will man choose God’s grace plan of salvation or follow the arrogant system of Satan? Through the freewill decisions of mankind, God proves to Satan His perfect justice and love again and again. As believers, it is imperative we understand this spiritual warfare that surrounds us. Satan uses every ruse at his command to derail and discredit those who are in Christ. For our defense, God has provided an overwhelming advantage in a powerful suit of spiritual armor. With it we can withstand the “flaming missiles of the evil one” and become heroes in the invisible war. God is glorified as we lock shields and stand firm on His power and Word.

## **The Naked Gospel**

The Naked Gospel is a chapter-by-chapter assault on the churchy jargon and double talk of our day. It puts forth a message that is simple but life-changing. With a fresh take on Scripture and unapologetic style, The Naked Gospel will challenge you to re-examine everything you thought you already knew.

## **Building Leaders**

Training the next generation of leaders is crucial to spreading the gospel, yet most churches have no formal way of doing this. Why? Tight budgets, small staffs, and a lack of know-how are just a few reasons suggested by church consultants Aubrey Malphurs and William Mancini in this groundbreaking book. Building Leaders provides real-life examples of ways churches can unleash their true ministry potential by training staff members and laypeople to lead. With step-by-step instructions that can be applied to any church or parachurch ministry, Building Leaders shows readers how to: - empower, not just train, leaders - overcome obstacles to developing leaders - identify emerging leaders - use biblical models for training leaders - form a leadership training program to fit any size or budget Packed with surveys, discussion questions, and a leadership development guide, Building Leaders will encourage leaders to “duplicate themselves” in order to see their ministry grow. It is a perfect resource for ministry students, church leaders, and pastors.

## **Evangelism Explosion**

Pastor John MacArthur will take you through the two short letters to Timothy, passage by passage, so that you can better understand Paul's instructions to church leaders and the cultural context that makes these letters so relevant today. Timothy was a close associate of Paul who was facing problems within the church that he was leading in Ephesus. In these personal letters, Paul gives practical pastoral instruction to his protégé, highlighting godliness and holy living to help Timothy fulfill his calling and effectively carry out his important tasks in the church. Paul's gentle encouragement in these letters challenges Timothy to persevere in his faith—a faith that might have been weakening under the pressure of the church and the persecution of the world. Paul's godly counsel was helpful not only to Timothy, a first-century Christian leader, but is also helpful to each of us as believers today. —ABOUT THE SERIES— The MacArthur Bible Study series is designed to help you study the Word of God with guidance from widely respected pastor and author John MacArthur. Each guide provides intriguing examinations of the whole of Scripture by examining its parts and incorporates: Extensive, but straight-forward commentary on the text. Probing, interactive questions with plenty of space to write down your response and thoughts.

## **Our Daily Homily**

Stephen Mansfield, the acclaimed New York Times best-selling author, has highlighted the growing popularity of Mormonism—a belief system with cultic roots—and the implications of its critical rise. Mormons are moving into the spotlight in pop culture, politics, sports, and entertainment via presidential candidates like Romney and Huntsman, media personality Glenn Beck, mega-best-selling Twilight author Stephanie Meyer, and The Book of Mormon, the hottest show on Broadway. Mormonism was once a renegade cult at war with the U.S. Army in the 1800s, but it has now emerged as not only the fastest-growing religion, but as a high-impact mainstream cultural influence.

## **1 and 2 Timothy**

This open access book presents fresh ethnographic work from the regions of Africa and Melanesia—where the popularity of charismatic Christianity can be linked to a revival and transformation of witchcraft. The volume demonstrates how the Holy Spirit has become an adversary to the reconfirmed presence of witches, demons, and sorcerers as manifestations of evil. We learn how this is articulated in spiritual warfare, in crusades, and in healing or witch-killing raids. The contributors highlight what happens to phenomena that people address as locally specific witchcraft or sorcery when re-molded within the universalist Pentecostal demonology, vocabulary, and confrontational methodology.

## **The Expositor's Greek Testament**

The Federal Vision communicates the importance of applying a more robust Covenant theology to our study of the relationship between obedience and faith, and to the role of the Church and Sacraments in our salvation.

## **The Mormonizing of America**

Often times the Bible is associated with rural pastoral settings. The Israelites wandering in the desert wilderness living in tents, David playing his harp for sheep out in the pasture, and Jesus strolling along dusty roads between remote villages. But what if I told you that the Bible is an urban book and that the center stage

for where the drama of biblical events played out was truly the city? Starting in Genesis, all of the way to the end of the Bible in Revelation, the whole trajectory of humanity and the focal point for the Missio Dei was and is urban and not rural. When Jesus erupted into history through the womb of a teenager he lived in the most urban region in the world. The early church was birthed in the city and spread to the largest most influential cosmopolitan urban centers of the day. For the first-century Christian, to be a follower of Jesus was synonymous with being an urbanite. The Urbanity of the Bible explores the urban nature of the Bible and displays the urban trajectory of the Missio Dei. The city was and is a dominant theme of the setting, backdrop, and purposes of God throughout history. As the world today has flooded to the cities this book is good news. We were meant to live in the city.

## **Pentecostalism and Witchcraft**

This is the story of a handful of courageous men and their congregations who risked stable occupations, security and the approval of life-long friends to be obedient to God's call. It is also the story of every believer who is searching for the Church. Where Christ is Lord. Where holiness, human responsibility, and the sovereignty of God are preached. Where fellowship is more than a covered-dish supper in the church basement. And where fads and fashions take a backseat to apostolic worship and doctrine.

## **Biographical Sketches of the Pioneer Preachers of Indiana**

In 1995, we published the 1st Edition of The Pink Swastika to counter historical revisionism by the homosexual political movement which had been attempting since the 1970s to fabricate a \"Gay Holocaust\" equivalent to that suffered by the Jews in Nazi Germany. Fifteen years have passed, but our research into this topic has never stopped.

## **The Pink Swastika**

BAYARD RUSTIN POSTHUMOUSLY AWARDED THE 2013 PRESIDENTIAL MEDAL OF FREEDOM  
A master strategist and tireless activist, Bayard Rustin is best remembered as the organizer of the 1963 March on Washington, one of the largest nonviolent protests ever held in the United States. He brought Gandhi's protest techniques to the American civil rights movement and played a deeply influential role in the life of Martin Luther King, Jr., helping to mold him into an international symbol of nonviolence. Despite these achievements, Rustin often remained in the background. He was silenced, threatened, arrested, beaten, imprisoned, and fired from important leadership positions, largely because he was an openly gay man in a fiercely homophobic era. Here we have Rustin in his own words in a collection of over 150 of his eloquent, impassioned letters; his correspondents include the major progressives of his day — including Eleanor Holmes Norton, A Philip Randolph, Roy Wilkins, Ella Baker, and of course, Martin Luther King Jr. Bayard Rustin's ability to chart the path "from protest to politics" is both timely and deeply informative. Here, at last, is direct access to the strategic thinking and tactical planning that led to the successes of one of America's most transformative and historic social movements. "Rustin was a life-long agitator for justice. He changed America — and the world — for the better. This collection of his letters makes his life and his passions come vividly alive, and helps restore him to history, a century after this birth. *I Must Resist* makes for inspiring reading." —John D'Emilio, author of *Lost Prophet: The Life and Times of Bayard Rustin* "A vital addition to the history of the civil rights movement by an exceptionally determined, vital and creative force who was invaluable to Martin Luther King Jr and A. Philip Randolph among many others." -- Nat Hentoff "Bayard Rustin's courageously candid letters, most of which have never before been available to researchers, provide fascinating glimpses into the private life of one of history's most reticent public figures." -- Clayborne Carson, Founding Director of the Martin Luther King Jr. Research and Education Institute at Stanford University "Bayard Rustin was a committed but very complicated person. This marvelously annotated collection of letters explain the spirit, and evolution of the thoughts and actions of an often overlooked key figure in the 20th century civil and human rights movement." -- Mary Frances Berry, Geraldine Segal Professor of American Social Thought, University of Pennsylvania, and former Chair United States Commission on Civil Rights "All aspects of Rustin's experiences are captured in these letters, including his struggles with opponents dedicated to silencing him as an international symbol of nonviolent protests against racial injustice. This remarkable and deeply moving publication is a must-read." -- William Julius Wilson, Lewis P. and Linda L. Geyser University Professor, Harvard University Bayard Rustin (March 17, 1912 – August 24, 1987) was an American leader in social movements for civil rights, socialism, pacifism and non-violence, and gay rights.

## **Romans**

A true account of a young boy's survival, before and after the death of his mother, at the tender age of seven years.

## **Reformation Women**

A Moving Faith captures the dynamic shift of Christianity to the South and portrays a global movement that promises prosperity, healing, empowerment, and gender equality by invoking neo-Pentecostal and Charismatic resources. It postulates that neither North America nor Europe is the current center of the Christian faith. The book provides a detailed overview of how migration of Christians from the South enriches the North, for instance, Pope Francis brings newness, freshness, and the vigor characteristic of the South. While describing Christianity's growth in the South, it suggests that, in fact, there is no center for this global faith. It explores this great move of Christianity by focusing on representative mega churches in South Korea, Brazil, Peru, Ghana, Nigeria, Australia, India, and the Philippines.

## **Woman, Thou Art Loosed!**

Commitment to the Almighty God is the highest priority for the Christian and it cannot be taken lightly because of its eternal implications. There should be assurance of salvation that is Bible based, which lasts forever. There is a need for an extra spiritual effort on the souls saved to get them established, localised in a church fellowship and mobilised until they too become soul winners. It is not enough for the believer in Christ to go forth and bear fruits in obedience to the Lord's command but must also ensure that the fruits abide. This is why the Workers-in-Training programme is packaged to equip believers for service unto God and the edification of the body of Christ. Our prayer is that at the end of these teachings, you would have become a true Christian, on fire for God and ready to take up mountains. God bless you as you get empowered for the work of ministry, in Jesus name. Amen
